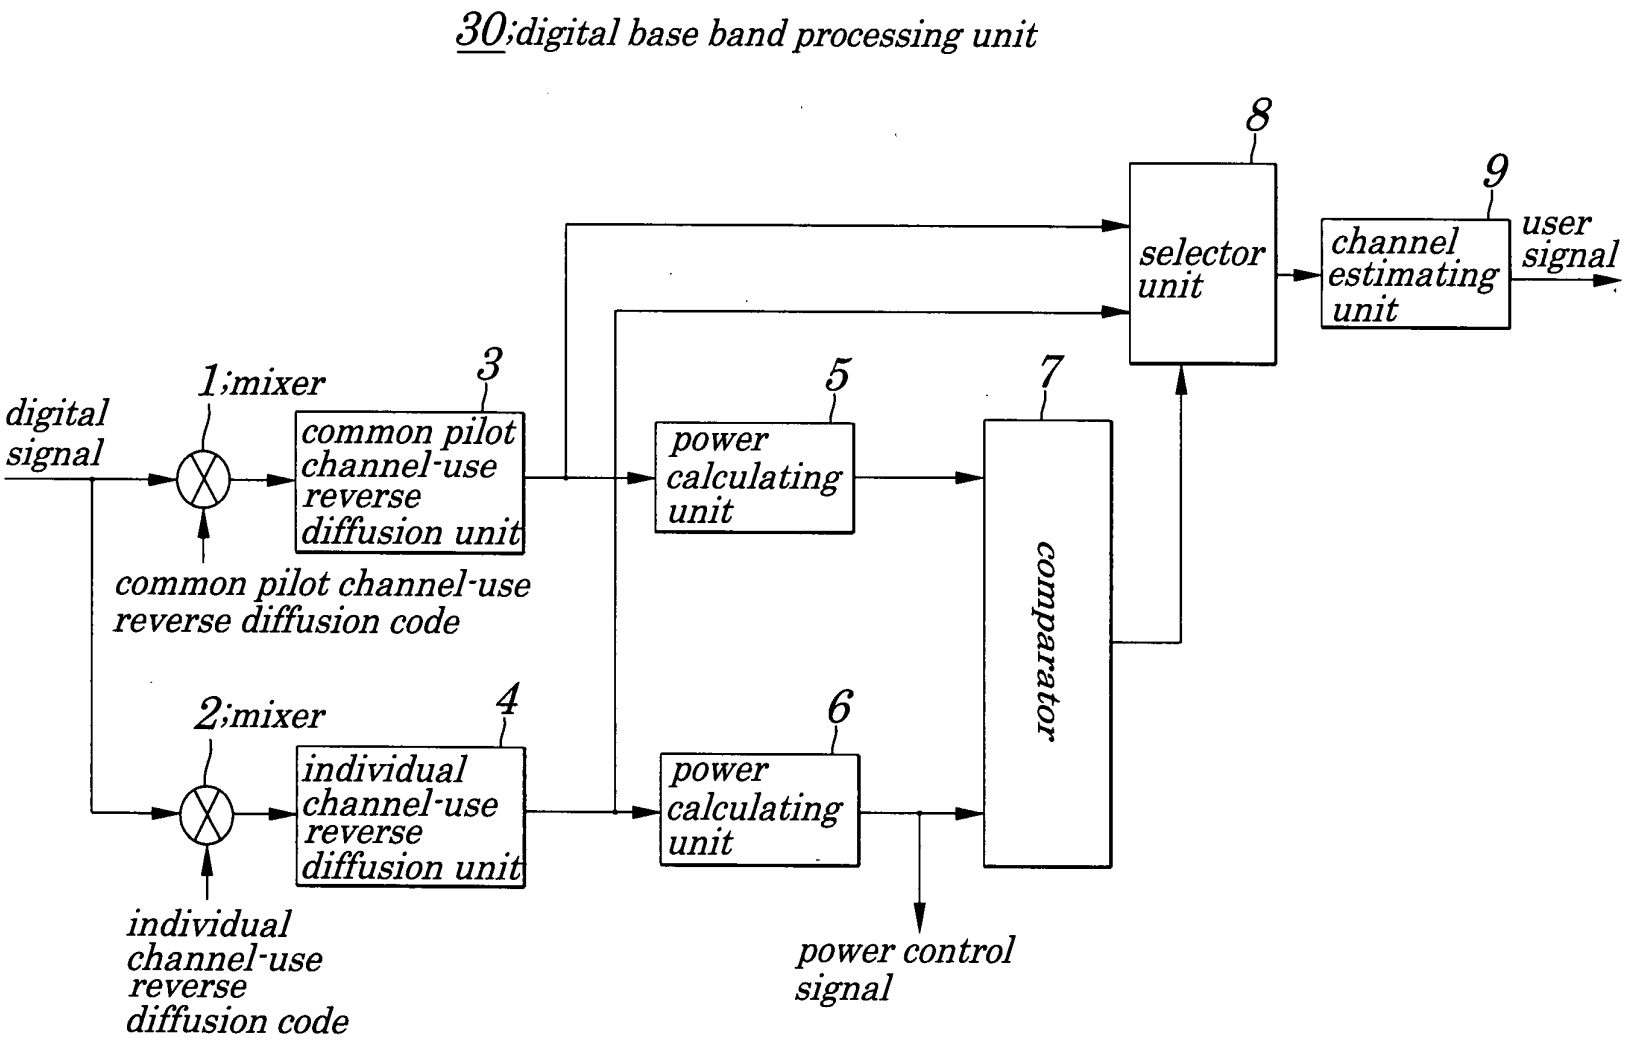
FIG.1



30;digital base band processing unit
8
9
selector unit
channel estimating unit
user signal
digital signal
1;mixer
3
common pilot channel-use reverse diffusion unit
5
power calculating unit
7
comparator
common pilot channel-use reverse diffusion code
2;mixer
4
individual channel-use reverse diffusion unit
6
power calculating unit
individual channel-use reverse diffusion code
power control signal
